

THE BENEFITS OF TECHNOKOLLA EPOXY GROUT

By choosing [Technokolla Epoxy Grout](#), you are investing in a product that combines aesthetic appeal, durability, and easy maintenance, backed by Surtec's commitment to quality and customer satisfaction.

Technokolla Epoxy Grout is a premium solution designed to meet the highest standards for tiling projects. A two-component epoxy grout/adhesive with delicate finishes in a wide colour range. Ideal for places that must always be perfectly hygienic and all wet areas. Technokolla Epoxy Grout offers a premium finish with the benefits outlined below: For joints 1 to 15 mm wide. Please see the [Technical Data Sheet](#).

1. Superior Durability

Technokolla Epoxy Grout is incredibly durable, offering exceptional resistance to cracks, stains, and chemical damage. This ensures a long-lasting finish, even in high-traffic areas.

2. Waterproof and Stain-Resistant

Technokolla Epoxy Grout provides a waterproof barrier that prevents moisture penetration and resists staining from spills, perfect for wet areas such as bathrooms and kitchens.

3. Easy to Clean

The non-porous nature of Epoxy Grout makes it easy to clean and maintain. Wipe away dirt and grime, keeping your tiled surfaces looking pristine with minimal effort.

4. Hygienic

Ideal for environments where hygiene is paramount, Technokolla Epoxy Grout is resistant to mould and mildew, making it a perfect choice for hospitals, commercial kitchens, and other sanitary spaces.

5. Aesthetic Versatility

Available in a wide range of colours, Technokolla Epoxy Grout allows for creative freedom in design, ensuring a perfect match with your tiles and enhancing the overall look of your space.

6. Chemical Resistance

Technokolla Epoxy Grout is highly resistant to a wide range of chemicals, making it suitable for industrial and commercial applications where harsh substances are present.

7. Cost-Effective

Despite its superior quality, Technokolla Epoxy Grout offers excellent value for money, providing long-term savings through reduced maintenance and replacement costs.

8. Easy Residue Removal with Fila Solutions

[Fila CR10](#) & [Fila PS87](#) can be used for effective and easy cleaning, ensuring a flawless finish for any epoxy residue left after application.

9. Part of the Technokolla Tiling and Waterproofing System

Technokolla Epoxy Grout works seamlessly as part of the Technokolla Tiling and Waterproofing System, which is BRANZ appraised and comes with a 15-year product warranty. This system ensures comprehensive protection and quality for your entire project.
